Re: Continuo Arts Foundation closure

Dear Continuo Arts Members & Friends,

On behalf of the CAF Executive Board, due to the current Covid 19 pandemic, all activities at the Continuo Arts Conservatory of Music will be suspended as of March 13-March 31<sup>st</sup>.

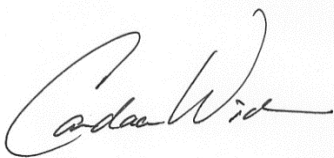

All group members are encouraged to visit the CAF Community Facebook Page and utilize the rehearsal videos. On-site private conservatory lessons will also be rescheduled beginning April 1<sup>st</sup>. The Conservatory staff will contact all students to reschedule lessons.

As of this date, our upcoming Carnegie Hall appearances, Spring Concert and scheduled community performances are still on. Should this change, we will notify you immediately.

Please stay calm, wash your hands, stay close to home and keep in touch.

The music WILL live on!

Sincerely,

Candace Wicke, DMA  
President & Executive Director
